

Choosing an anesthesia billing company checklist

Ask every company the same questions. Good answers come with numbers, names and samples.

Experience

- ☐ How many anesthesia groups they bill for
- ☐ How many are CRNA-led
- ☐ Two references you can call
- ☐ Who will actually work your account

Results and reporting

- ☐ Typical net collection rate and days in A/R for groups like yours
- ☐ A sample monthly report
- ☐ How quickly denials are worked

Price and contract

- ☐ Percentage and what it includes
- ☐ Any extra fees (credentialing, statements, software, minimums)
- ☐ Contract length and notice to leave
- ☐ Whether old claims are worked when you join

Data and security

- ☐ Payments go straight to your bank account
- ☐ You own your data and get it back if you leave
- ☐ Business associate agreement signed
- ☐ Where the work is done and how patient data is protected
